

40 POEMS FOR 40 WEEKS

Integrating Meaningful Poetry and
Word Ladders into Grades 3–5 Literacy

EDITED BY DAVID L. HARRISON AND TIMOTHY V. RASINSKI

An **Eye On Education** Book

Amazon Review: P Franz [5.0 out of 5 stars Poetry = Literacy!](#)

I've had the privilege of seeing first hand how poetry in the classroom ignites student learning. Here is a tool kit in one wonderful book for elementary school teachers to get started NOW! Your students' reading will improve; they will write more, and they will use creative thinking in whole new ways. Anyone who loves a 3rd, 4th, or 5th grade teacher or student should get this book into a teacher's hands!
